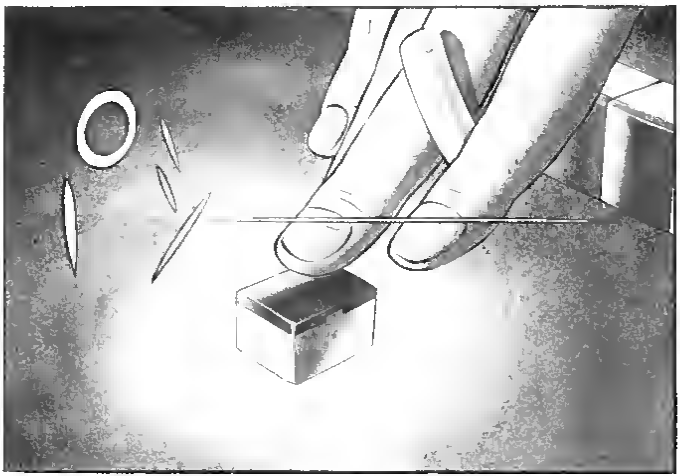
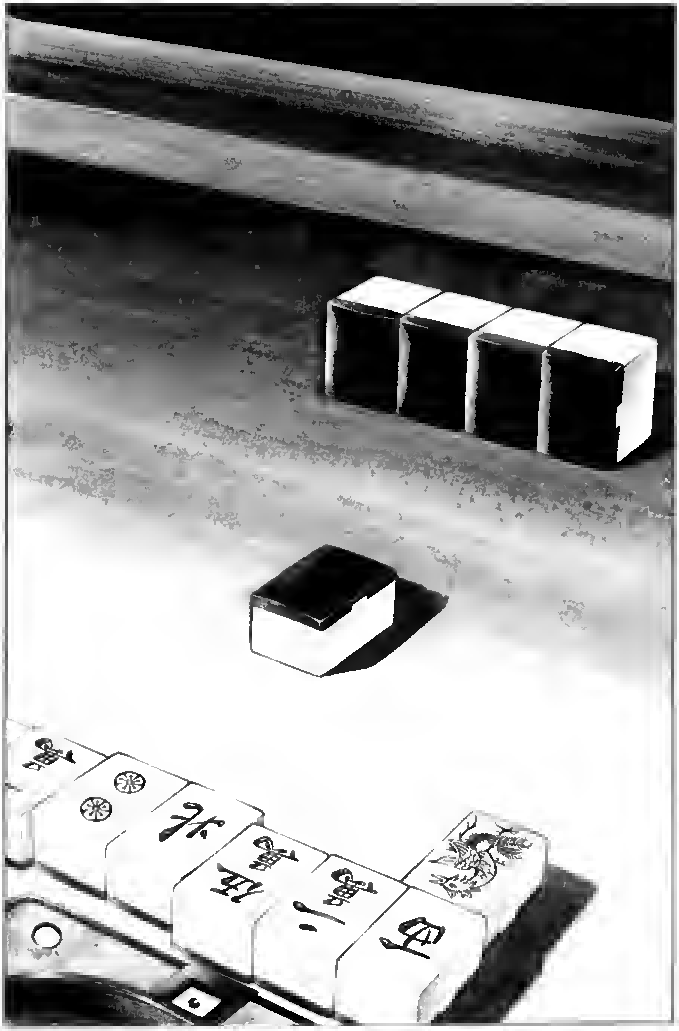
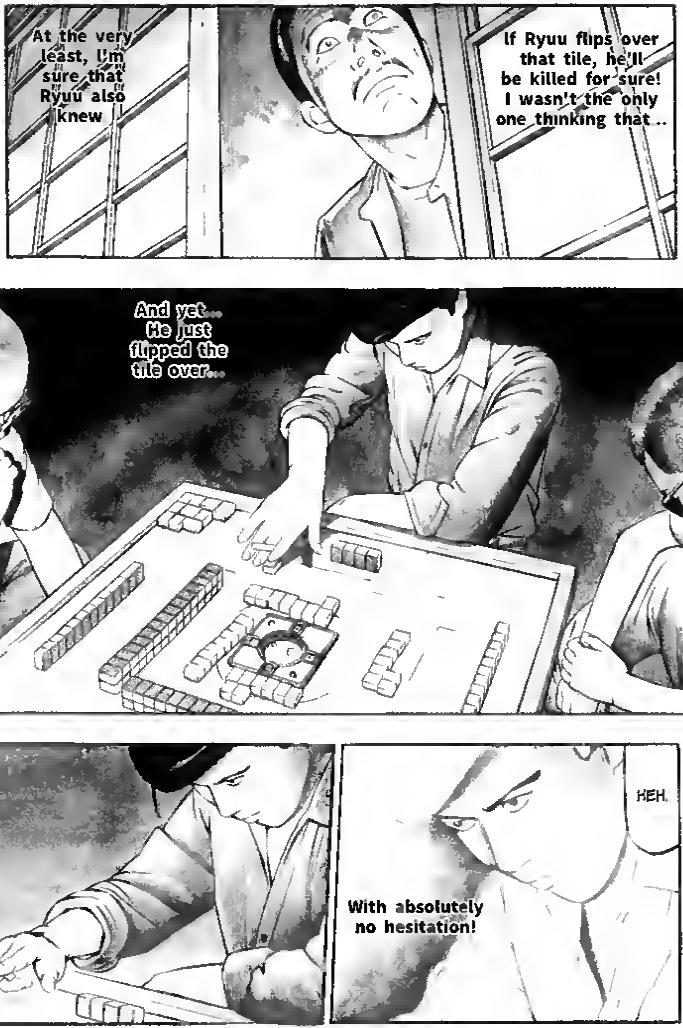
That Ryuu was really something else!
He was fighting against all 2000 members of the Kai Syndicate!
Back then, it wasn't just his three opponents...
Every single one of them!







At the very least, I'm sure that Ryuu also knew
If Ryuu flips over that tile, he'll be killed for sure! I wasn't the only one thinking that..
And yet... He just flipped the tile over...
With absolutely no hesitation!

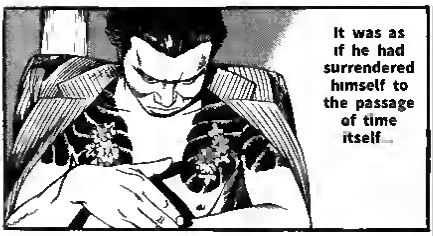
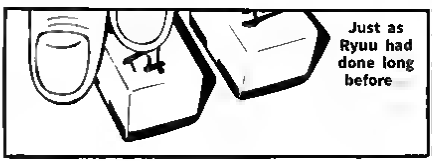
The flow of time returned to the room as the darkness disappeared

And it returned with a fiery blaze...



It was as if he had surrendered himself to the passage of time itself...



Just as Ryuu had done long before

After that, the boss didn't utter another word.

The storm had turned to calm.

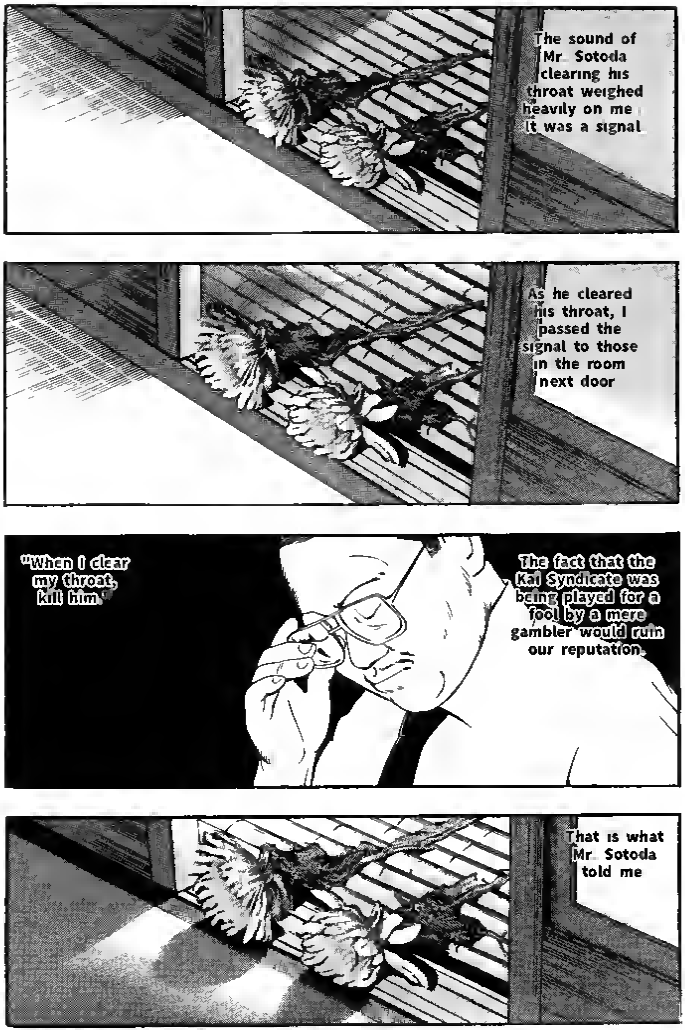
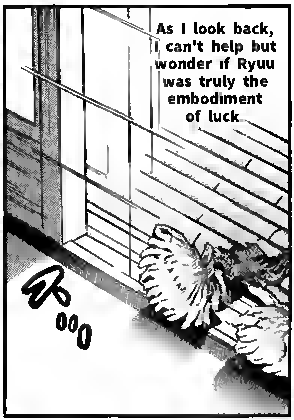
AN INCARNATION SENT BY GOD!
I FINALLY UNDERSTAND YOU ARE AN INCARNATION!
COUGH



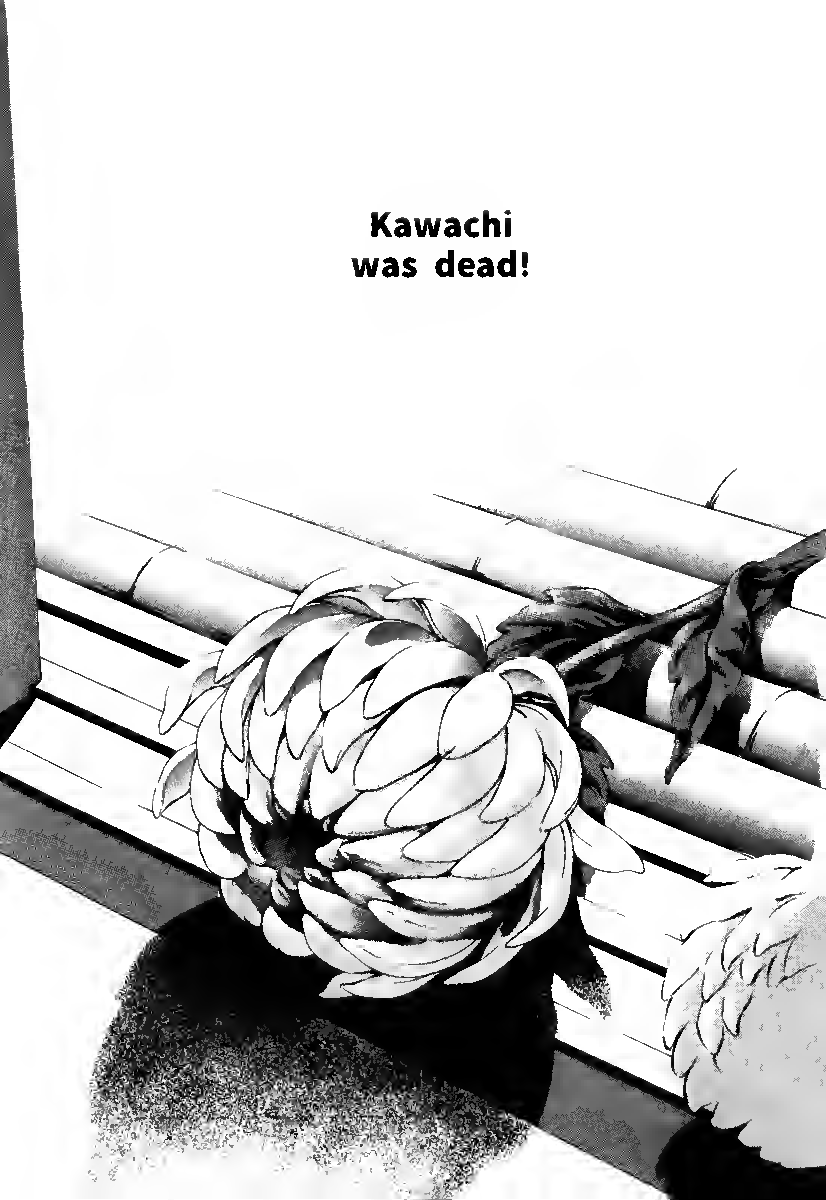
The sound of Mr. Sotoda clearing his throat weighed heavily on me. It was a signal.
As he cleared his throat, I passed the signal to those in the room next door.
"When I clear my throat, kill him."
The fact that the Kai Syndicate was being played for a fool by a mere gambler would ruin our reputation.
That is what Mr. Sotoda told me.

I SEE THAT GOD TRULY DETESTS ME!
GOD SENT YOU TO THIS WORLD IN ORDER TO HUMILIATE ME!

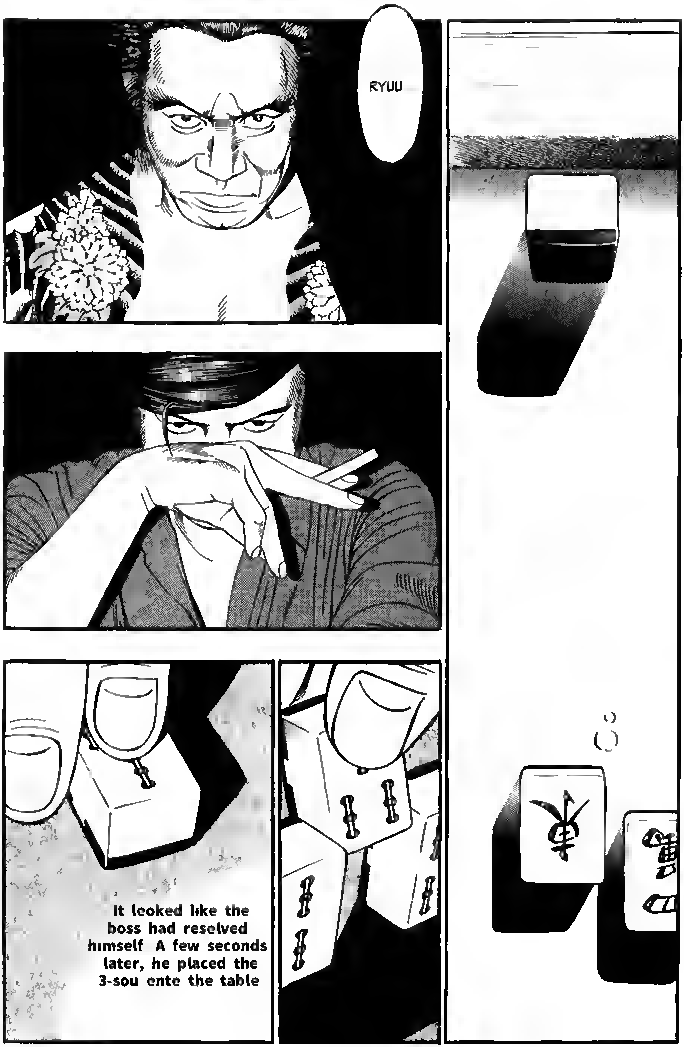
When I went to the room next door, I was faced with grim news...



As I look back, I can't help but wonder if Ryuu was truly the embodiment of luck...
Ooo



Kawachi
was dead!



RYUU
It looked like the boss had resolved himself. A few seconds later, he placed the 3-sou onto the table
